INSIGHT

Boats ordered/delivered by yard location, November 2012

Spotlight New orders, launches and deliveries

Project Trifecta
Christensen celebrated a successful Fort Lauderdale show by closing on the sale of three motor yachts, including the 50m Project Trifecta, due to make its debut in September 2015.

Baltic Yachts
Baltic Yachts announced its second new-build contract of 2012 following that of *WinWin* in June, but this time for a 35.5m sailing yacht designed by Jude/Vrolijk and Nauta, with delivery scheduled for October 2014.

Quattroelle
The new 88m motor yacht *Quattroelle*, built by Lürssen to a design by Nuvoletti-Lenard, was delivered to her new owners and is now offered for charter by Moran Yacht & Ship.

Bronko I
Vicem Yachts launched the yard's second composite motor yacht, the Vulcan 32m raised pilothouse yacht, called *Bronko I*, built to a design by Frank Mulder.

J'Ade
The largest launch of the month was the 58.2m motor yacht *J'Ade* at the CRN yard. Built in steel and aluminium, her delivery is due in spring 2013.
